MEMORANDUM FOR GENERAL EVANS, SAFSL

SUBJECT: Establishment of a MOL Cost Review Team

I generally concur with the plan for the MOL cost review set forth in your March 29 memorandum. The following changes in the plan are, however, requested.

Major Marshall should be indicated as the SAFSS member on Task Force 1 in lieu of Colonel Carter. I understand this change has been discussed with both yourself and Colonel Walling and is acceptable to you.

With regard to Task Force 2, [redacted] other commitments require that the early phases of the schedule proposed in your memorandum be adjusted somewhat; however, he would expect to meet the established dates for review by the senior board and the submittal to DDR&E. The conduct of this review will, in accordance with MOL Black Financial Procedures, be considered primarily an NRO function with the MOL Program Office participating. Major Marshall, SAFSS, should be added to the list of members of Task Force 2.
